James,

I will need to examine our internal loans vs Sgts deployable in Patrol. I will let you know.

If a loan is not possible, seeking a position at Internal Affairs would give you the experience you are looking for. If you would like some guidance with regards to career development please come see me.

Best,

I was hoping to have a Sgt II spot in Metro but it hasn't worked out just yet. There isn't much movement here and no Sgt Positions available other than patrol. I am respectfully requesting a loan to the OSB complaint unit.

I would like to add some variety to my package and learn something new as most of my career has been CRASH, CLEAR, GED, patrol. I am also planning on finishing my degree to prepare for the next Lt. exam.
